April 28, 2023: CMA Fest Week 2023 Special Events

April 28, 2023

Hello, BlueShoe/CMA Fest 2023 travelers:

Last Thursday we sent a group email to everyone with updated ticket sales information on Marty Stuart's Late Night Jam. The message also included a link to a page on BlueShoe's website entitled [CMA Fest Week 2023 Special Events](#).

We're reproducing the current information below in case you missed it earlier. Please note that what is cited below and on the BlueShoe webpage are events that are not officially part of CMA Fest. So your CMA Fest pass will not cover admission to them; you'll need to purchase a separate ticket to each event you'd like to attend. The webpage has the title of the event and that title is a clickable link that will take you to the sponsoring page where you can read about the event and purchase tickets (once they have been made available). ALSO: we are archiving all our BlueShoe group emails in case you miss something. You can see them here:
