BlueShoe Nashville

March 27, 2024: BlueShoe Nashville Important Group Email Info and More!

Hello, 2024 CMA Fest BlueShoe travelers:

We are only a little over two months away from this year's CMA Music Fest! As we prepare to begin sending out more information, we'd like to go over a few important items:

- Everyone should have received a **hotel confirmation email** from BlueShoe. We have sent those out from blueshoenashville@protonmail.com. The subject line would include your hotel and the words "Hotel Confirmation BlueShoe/CMA Fest 2024." For example, those staying at The Hermitage would have received an email with the subject line "**The Hermitage Hotel Confirmation BlueShoe/CMA Fest 2024.**" Please locate your confirmation email and save it. If you can't find it, let us know and we'll resend it. We recommend creating a designated folder within your email for all things BlueShoe/CMA Fest so this information will be easily accessible.
- **Group emails** are an important way we communicate information to our BlueShoe clients. Beginning on March 13, 2024 we started sending out group emails to our BlueShoe clients. Leading up to the Festival (and even during the Festival), we'll continue to send you updates via group emails covering a range of topics, including announcements that come in from the CMA and information about Nashville transportation, dining, attractions, etc. We hope these emails will provide details that can help you make the most of your trip to Music City.
- **Group emails web page:** In an effort to make these messages accessible (in case you missed one or booked a package after the message was sent), we are archiving all our BlueShoe group emails. You can find them here: <https://www.blueshoenashville.com/2024-blueshoe-group-emails-cma-fest>. At this link, you will find each message listed with the date it was sent and the subject line. Click on the particular message you wish to see and it will launch a PDF.
- **Adding emails to our group email list:** ***Please let us know if there are any members of your party who would like to have their emails added to our group mailing list.*** Some clients opt to forward our emails to the various members of their group; however, sometimes all members of a party prefer to directly receive these updates.

- We also want to point out that going forward, all group emails will be sent from blueshoenews@gmail.com. Please note that this is a different email address than our other two BlueShoe email addresses — Cheryl Hiers' email address (blueshoenashville@gmail.com) and the email address I (Katy Stone) have used to send out hotel confirmation emails and other items pertinent to booking your CMA Fest package (blueshoenashville@protonmail.com). ***If you are not receiving these group messages, please let us know so we can confirm your email address.*** You may also want to check in your spam or junk folder to see if the messages are being diverted there by your email server.

Please reach out to us if you have any questions. We hope y'all are getting excited for a fantastic time in Nashville this June!
