More CMA Fest Week Special Events & Clarification on Time Marty Stuart Tickets go on Sale

Hello, BlueShoe/CMA Fest travelers:

We sent out a group email yesterday regarding the sale date for **Marty Stuart's Late Night Jam** and we need to clarify that the time (10 a.m.) is Nashville time —that is **Central Daylight Time (CDT)**. So you'll need to adjust the time for your particular location depending on what time zone you're in. To reiterate: Marty Stuart Late Night Jam tickets go on sale **this Friday, April 21, 2023 at 10 a.m. CDT**. You can purchase tickets here: https://www.axs.com/events/480976/marty-stuart-s-late-night-jam-tickets?skin=ryman&_ga=2.42899045.1112797244.1681911809-1988278620.1681911808

We are currently working on a webpage (**CMA Fest Week 2023 Special Events**) that lists all of the special events (outside of official CMA Fest happenings) for the week beginning Sunday, June 4, 2023.

Please note that what is listed on this webpage are events that are not officially part of CMA Fest. So your CMA Fest pass will not cover admission to them; you'll need to purchase a separate ticket to each event you'd like to attend. The webpage has the title of the event in **red type** and that title is a clickable link that will take you to the sponsoring page where you can read about the event and purchase tickets (once they have been made available).

ALSO: we are archiving all our BlueShoe group emails in case you miss something. You can see them here: <https://www.blueshoenashville.com/blueshoegroupmessages>
