May 15: Your 2024 CMA Fest Tickets are coming soon!

May 15, 2024

Hello, BlueShoe/CMA Fest 2024 travelers:

Happy news: we have just received our 2024 CMA Fest ticket inventory today. We have to review and proof the inventory to make sure everything is correct and that takes a bit of time. Once we have confirmed the inventory is accurate, we'll begin to transfer the digital tickets to each of you. This is a process that can take us up to 10 days as we have to verify ticket locations and then send 5 tickets to each of our BlueShoe guests (1 reserved seat ticket for each night at Nissan Stadium and 1 four-day Fan Fair X pass).

We'll be transferring tickets to the primary email address that shows on the first page of your BlueShoe booking agreement.

When we transfer your tickets, you'll receive an email from "CMA Festival Ticket Office" and the subject line, "BlueShoe just sent you (XX) CMA Fest Tickets." You will need a Ticketmaster account in order to be able to accept your tickets so if you don't have one, please create one.

Our goal is to have all BlueShoe tickets transferred within 10 days (by May 25). Thank you for your patience and let us know if you have any questions.
