May 26, 2024: Nissan Stadium Parking & CMA Shuttle Information for CMA Fest 2024

Custom Map Showing nearest CMA Fest Shuttle Stops to our BlueShoe Hotels

Hello, BlueShoe/CMA Fest 2024 travelers:

We received communication from the CMA late Friday regarding the parking situation at Nissan Stadium during the Festival. As many of you know, a new Nissan Stadium is being constructed and the project has reduced the parking available. No parking passes have been sold thus far but the CMA informed us that they are conducting **a small presale Tuesday & Wednesday (May 28 & 29)** prior to the sale opening to the public on May 30. We believe we are going to be able to get the code for the presale and if we do, we'll send out a group email with it.

Meanwhile, here is what is posted on the [CMA Fest's website](#) regarding parking at Nissan:

*Due to ongoing construction in the area of CMA Fest, parking availability is extremely limited. Festival organizers kindly encourage general ticket purchasers to utilize rideshare or [public parking](#), or pedestrians may walk across the John Seigenthaler Pedestrian Bridge, Woodland Street Bridge or Korean Veterans Blvd Bridge. Limited parking passes for Nissan Stadium will go on sale to the public Thursday, May 30 at 10:00AM CT on Ticketmaster. Parking will only be sold in advance. There will be no parking sold on-site during the event!*

## **CMA Shuttle Schedule & Stop Locations**

All of our CMA Fest hotel partners (The Hermitage, Courtyard, Hampton Downtown, Home2 Suites, Tru by Hilton, and Hampton Capitol View) are within walking distance of the Festival venues so the vast majority of you will not be using a car to go to Nissan Stadium. You will be walking or possibly using the CMA's special Festival shuttle. Access to complimentary daily and nightly CMA Fest shuttles is only open to [four-night pass holders](#). Every stop is ADA accessible.

We have created a custom Google map showing the location of each of BlueShoe's hotels along with the major Festival venues and all the CMA Shuttle stops for both daytime (8:30 a.m. to 8 p.m.) and nighttime (8 p.m. to 1:00 a.m) shuttles. You may access the map here: [BlueShoe/CMA Fest 2024 Shuttle Stops](#)
